

RESUME

DETAILS

Name	Dr. Atul Kasliwal
Residential Address	45-46, Lane 1, Guru Jambheshwar Nagar 'A' Gandhi Path, Vaishali Nagar Jaipur, Rajasthan - 302018 Phone 141-2358760 Mobile No. : +91-9929603440
E-mail	kasliwalatul@yahoo.co.in
Website	http://dratulkasliwal.in/
Designation	Associate Director, Interventional Cardiology
Hospital Address	Eternal Heart Care Centre 3A, Jagatpura Road, Near Jawahar Circle Jagatpura, Jaipur, Rajasthan-302020
Date of Birth	30 th September 1968
Birthplace	Jaipur, Rajasthan
Father	Mr. Vijay Kumar Kasliwal
Citizenship	Indian

ACADEMIC QUALIFICATIONS

Degree	Year	University/College
FESC (International Fellow of European Society of Cardiology)	2017	European Society of Cardiology
FNB (Fellow National Board, Interventional Cardiology)	2006	National Board Of Examinations, New Delhi
DM. (Cardiology)	2002	G.B. Pant Hospital, Delhi
MD. (General Medicine)	1996	SMS Medical College, (University of Rajasthan) Jaipur, Rajasthan.
MBBS	1992	SMS Medical College, Jaipur, Rajasthan

Medical Council Registration: Rajasthan Medical Council - 14798

PROFESSIONAL EXPERIENCE

Post	Year	Hospital/University/College
Associate Director, Interventional Cardiology	2016-Present	Eternal Heart Care Centre, Jaipur, Delhi
Senior Consultant, Interventional Cardiology	2010-2016	Santokbha Durlabhji Memorial Hospital, Jaipur, Rajasthan
Senior Consultant, Interventional Cardiology	2007-2010	Escorts Heart Institute & Research Centre, Jaipur

Associate Consultant, Interventional Cardiology	2005-2007	Escorts Heart Institute & Research Centre, Delhi
Dept of Non- Invasive Cardiology	2003-2004	Escorts Heart Institute & Research Centre, Delhi
Dept of Interventional Cardiology	2002-2003	G B Pant Hospital, New Delhi
Senior Resident	2000-2002	G B Pant Hospital, New Delhi
Senior Resident	1996-2000	Tongia Heart & General Hospital, Jaipur Monilek Hospital, Jaipur Jaipur Hospital, Jaipur
Senior Resident	1993-1996	SMS Medical College, Jaipur

CLINICAL TRAINING

Organization and Supervising Doctors	Course	Duration
1. G B Pant Hospital Dr. R. Arora Dr. D S Gambhir Dr. U A Kaul Dr. J C Mohan Dr. Mohan Nair Dr. Sanjay Tyagi Dr. Vijay Trehan	Invasive and Non Invasive Cardiology	3 years
2. Escorts Heart Institute and Research Limited, New Delhi	Non Invasive Cardiology	1 year
3. Escorts Heart Institute and Research Centre, New Delhi Dr. Ashok Seth Dr. T S Kler Dr. Suman Bhandari Dr. Balbir Singh Dr. Atul Mathur Dr. Praveer Agarwal	Invasive Cardiology	3 years
4. Escorts Heart Institute and Research Centre Dr. T S Kler	Electrophysiology	3 months

CLINICAL TRIAL AND INVESTIGATIONS

Name of study	Indication	Role
FAMI (FRAGMIN in AMI)	Acute Myocardial Infarction	Co- Investigator with Dr. Kunal Kothari, SMS Medical College, Jaipur

- Actively Participating in Research and few Clinical Trials with Dr. Rajeesh Gupta (HOD, Medicine and Director Clinical Research, Fortis Escorts Hospital, Jaipur and EHCC, Jaipur)
- Actively involved in teaching medical students in SMS College, Jaipur, G.B. Pant Hospital, New Delhi and Escorts Heart Institute & Research Centre, New Delhi
- Attended National Conferences and CMEs in Cardiology (as a Speaker and Moderator)
- Oral Abstract presentation in CSI Conferences

M. D. Thesis:

“Role of Low Molecular Weight Heparin following Streptokinase and aspirin Therapy in Acute Myocardial Infarction”

Reviews of Literature done during DM Course (G B Pant Hospital, New Delhi):

- Foetal Echocardiography
- Low Molecular Weight Heparin In Acute Coronary Syndrome
- Aortic Dissection: Diagnosis and Management
- Minimally Invasive CABG
- Management Of Hypertension: Treatment Goals

ABSTRACTS Presented In CSI (2000-2003)

- Intravascular Ultrasound Imaging Before & After Balloon Angioplasty in Aortoarteritis, Sanjay Tyagi, Uma Mahesh CR, Jamal Yusuf, **Atul Kasliwal**, U A Kaul, Ramesh Arora
- Septal Artery Occlusion in Hypertrophic Obstructive Cardiomyopathy by A new technique. Vijay Trehan, Saibal Mukhopadhyay, **Atul Kasliwal**, P P Sengupta, Ramesh Arora
- Angioplasty and Stenting in the Thrombus Containing Subclavian and Iliofemoral Arteries. CR Uma Mahesh, Sanjay Tyagi, **Atul Kasliwal**, U A Kaul, Ramesh Arora
- Successful Transcatheter Closure of a Ruptured Sinus of Valsalva Aneurysm: Ramesh Arora, Vijay Trehan, Saibal Mukhopadhyay, **Atul Kasliwal**, Jamal Yusuf
- Cardiac Resynchronization in Chronic severe heart failure: Short term results. Sanjay Tyagi, **Atul Kasliwal**, D S Gambhir, U A Kaul, Ramesh Arora
- Sirolimus- Eluting Stents for the treatment of long lesion in small coronary arteries. Vivek Tondon, **Atul Kasliwal**, K Subramanyam, Sanjay Chugh, Atul Mathur, Ashok Seth, T S Kler.
- Effectiveness of Drug Eluting stents in treatment of SVG. Aseem Dhal, **Atul Kasliwal**, R R Kasliwal, Atul Mathur, T S Kler
- Primary Thrombo Suction with export aspiration catheter during percutaneous coronary intervention in Acute Coronary Syndrome- acute results and in hospital outcomes. Gaurav Minocha, **Atul Kasliwal**, Balbir Singh, Atul Mathur, T S Kler
- Rotational Atherectomy with Sirolimus Eluting stent in calcific Lesion: Acute Results Long Term Outcome. Sanjay Chugh, **Atul Kasliwal**, Atul Mathur, T S Kler

WORKSHOPS ATTENDED/CMEs ORGANIZED

Location	Year	Description
Jaipur, Rajasthan	2017	Speaker at 16 th Annual Symposium on Optimal Treatment for Acute Myocardial Infarction, Lumen Global 2017 on 25 Feb 2017
Osaka, Japan	2017	Attended Live case workshops from March 7 to 10, 2017 in Bell Land General Hospital, Takasaki General Hospital, Kyoto Okamoto Memorial Hospital and Kita-Harima Medical Centre in Japan
Mumbai, Maharashtra	2017	Attended the 4 th Annual CAD Conference: Advanced Cardiology Conference by European Society of Cardiology held in Mumbai from Jan 13 to 15, 2017
Kochi, Kerala	2016	Participated as Faculty/Delegate in Indo Japanese Chronic Total Occlusion Summit held on 3 to 5 June 2016 in Kochi, Kerala

Lucknow, Uttar Pradesh	2015	Participated as Delegate in Indo Japanese Chronic Total Occlusion Summit held in June 2015 in Lucknow, Uttar Pradesh
Jaipur, Rajasthan	2015	Attended as a faculty, presented a case on DK Crush Bifurcation Technique and co-chaired the session with eminent Interventional Cardiologist Dr. Samuel K Mathew organized by EDUCARE, Boston Scientific on 20 September 2015 at Hotel Marriott, Jaipur
San Francisco, USA	2013	Attended 25th TCT Conference from Oct 27 to Nov 1, 2013 in San Francisco, USA as a guest faculty
Seoul, Korea	2013	Participated in 56th ACT Program: Asan Medical Centre Interventional Cardiology Training Program held at Seoul, Korea from Feb 18 to 21, 2013
Miami, USA	2012	Attended TCT Conference in 2012 in Miami, USA as a guest faculty
Jaipur, Rajasthan	2012	Speaker in XII Annual Conference of Society of Pharmacovigilance from Nov 23 to 25, 2012 organised by NIMS, Jaipur
Chennai, Tamil Nadu	2012	Participated in Medtronic ICD/CRT Skills Builder Program for Implanting Cardiologist's in Chennai from Feb 24 to 26, 2012
Chennai, Tamil Nadu	2010	Participated in Medtronic Pacemaker Skills Builder Program in Chennai from Oct 29 to 31, 2010
Paris, France	2010	RITA (Rencontres Interventionnelles Transradial Approach) at Ecole du Val- de Grace, Paris in June 2010: Delivered lecture on Premature CAD in India and one of the Chairmen for the session on Transradial practice in the world
Jaipur, Rajasthan	2008/2009	Autumn Summit 2008 and 2009 organized by Fortis Escorts Hospital, Jaipur: Member of the organizing Committee and Speaker. Have Organized many CME's in different towns and cities of Rajasthan and delivered talks on Topics of Interventional Cardiology
New Delhi, India	2007	Transradial Blitz at EHIRC 2007: Assisted live Transradial PTCA cases with Prof. David Hilton (CANADA). Delivered lecture on "Clinical decision making in Interventional Cardiology"
New Delhi, India	2006	CSI Delhi 2006: Delivered Lecture on "Non-Stent based local Delivery of Paclitaxel-GENIE Balloon Catheter, Novel approach to Fight Restenosis.
New Delhi, India	2006	First Valve Summit 2006: Focussed on PTMC, organized at Escorts Heart Institute, Delhi with Prof. HUNG (Taiwan) and Dr. Suman Bhandari in Sept. 2006. Assisted Live Cases For BMV with Prof HUNG
New Delhi, India	2005	Cardiovascular Therapeutics (CVT) 2005: Member of Organizing Team and host faculty at Escorts Heart Institute, Delhi. Focussed on recent advances in Interventional Cardiology for Physicians and Cardiologists
Singapore	2005	Singapore Live 2005: Assisted Live Complex Interventional Cases with Dr. Ashok Seth From Escorts Heart Institute, Delhi

WORK PROFILE

- Coronary Interventions including Complex Angioplasties like Left main disease, Ostial lesions, Bifurcation lesions, Long lesions, Calcified vessels, Small vessel disease & PRIMARY angioplasties
- Peripheral Interventions like Upper & Lower limb vessels, Carotid stenting, and renal angioplasties, aortic aneurysms & dissections
- Other interventions like Balloon Mitral valvuloplasty, Balloon Pulmonary valvuloplasty, Pacemaker implantations & ICD
- Adult congenital heart disease interventions like PDA / ASD / VSD device closure, Coarctation of aorta

Competent in performing all these procedures independently and efficiently

ACHIEVEMENTS AND RECOGNITIONS

- Certified **International Fellow of the European Society of Cardiology** in January 2017 having qualified through vast education and experience
- **First Cardiologist in Rajasthan** to get the degree of “**Fellow National Board**” from National Board of Examinations, New Delhi after having completed two years of post-doctoral training in Interventional Cardiology in 2006
- Presently **Joint Secretary** of All India Jain Doctor’s Forum, Jaipur
- Awarded with achievement awards by Rajasthan Jain Sabha and Jain Social Groups
- Worked as an **Editorial Secretary** to Indian Heart Journal in 2006
- Awarded “**Boy of the Year**” in Maheshwari Public School
- Awarded with achievement awards by **Rajasthan Jain Sabha** and **Jain Social Groups**
